

The 30-Day Seed Tracker

One small seed a day. Watch the garden fill in.

Plant one small, specific action each day. Write it on the line, then **color the seed** once you have done it. Miss a day? Just plant the next one. By the end of the month you have thirty seeds in the ground and a page that looks like a garden.

01 	02 	03 	04 	05 
06 	07 	08 	09 	10 
11 	12 	13 	14 	15 
16 	17 	18 	19 	20 
21 	22 	23 	24 	25 
26 	27 	28 	29 	30 

Every colored seed is proof you showed up. You are not waiting for luck. You are growing it.
